

ACCOMMODATIONS

How to accommodate students' learning needs using USATestprep:

CREATING ASSESSMENTS

- Reduce **answer choices** from 4 to 3 in Step 1 (four answer choices will still be shown, but one will be eliminated)
- Select questions by **DOK or difficulty level** in Custom mode (Step 2)

Create an assessment to meet the **majority needs** of your students. Then create a **duplicate** (using the Options menu on the Assessments tab) and edit the settings to accommodate specific learning needs.

PRINTABLE & PROJECTOR RESOURCES

- Larger **font size** options
- Increase **spacing** between questions
- Assessments can be printed if needed

VIDEOS

- View **transcripts** for all instructional mini-lessons

ASSIGNMENTS

- **Difficulty level** for practice questions (beginner, random, and advanced)
- Three **settings**: multiple attempts, minimum score requirement, and retry missed items only

SITE-WIDE ACTIVITIES

- **Spanish translation** for practice questions and vocabulary -- refer to the pink "es" icon
- **Spanish translation** for USA Testprep Generated Tests and assessments (if allowed in the settings) -- refer to the Español link at the top of the test/assessment
- **Audio read-aloud** for questions, answer choices, and passages -- refer to the speaker icon
- Ability to **eliminate** and reactivate answer choices
- **Highlighter** tool for assessments and USA Testprep Generated Tests
