

STUDENT QUICK START GUIDE

1. SETTINGS

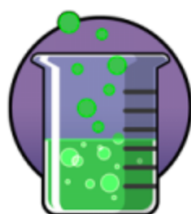

Go to your name at the very top --> "My Account" to customize your avatar. Within your name menu, you can also view how many tokens you've earned (token amounts vary based on activity type and score).

2. JOIN A CLASS

If you need to join a teacher's class, click the "Join a Class" link. Select your teacher's name and class from the list, then enter the class password if your teacher has required one.

3. PRACTICE

Go to PRACTICE at the very top of your homepage to access **subject area pages**. On this page, you can complete practice questions and tests, vocabulary sets, performance tasks, and instructional videos.

4. ASSIGNMENTS

All of your teachers' assignments appear here. Assignments have a due date, along with a "Begin" button on the far right. You can filter your assignments using the "-- View by Class --" menu. Once you complete an assignment, it will remain on your homepage for 7 days until it moves to Graded Work.

5. GRADED WORK

Refer to your **Graded Work** tab to see a history of everything you have completed on USATestprep, along with your scores.

Calendar view for assignments

Click on the calendar icon to view your assignments by week or month, rather than a list.

YOUR SUBJECT AREA RESOURCES PAGE

1. ITEM OF THE DAY

Use "Item of the Day" to access the question, vocabulary term, and video of the day.

2. CLICK ANY STANDARD

Choose a specific standard to begin various review activities on your own. In order to complete an activity, you must score over 66%.

3. TRACK PROGRESS

Your Progress Report and Dot Rank data will update with every activity you complete to reflect your mastery of each standard.

Your **Dot Rank** can be calculated in one of two ways:

1. "Best Practice Question Score" -- only your one best practice question score is included
2. "All Completed Activities" -- every single activity is included, along with the option to include retry scores

GAME ARCADE

Once you've earned tokens for your completed activities, check out the game arcade. Many games cost tokens while others are free to play. Have fun!
